- Foster Home must take extreme precautions to be sure this dog does not get loose. IF this dog gets loose, it could easily run thousands of dollars to recover this dog. (Live traps, flyers, drones, etc.) Adopter acknowledges this.
- The Foster Home agrees that the care of this dog is not transferable. The Foster Home agrees that if for any reason he/she is unable to continue to house and care for the dog that it will immediately notify and turn possession of this dog back over to **Nebraska Sheltie Rescue**.
- Foster Home agrees to make certain the foster dog wears the **Nebraska Sheltie Rescue** ID tag on its collar at all times.
- Foster Home understands that this dog will be shown to prospective adopters. Foster Home is responsible for making sure the dog is groomed for all showings. Foster Home requests 2 days notice to allow for time to get the dog ready to be shown.
- Foster Home will be given input into the permanent home chosen for the dog; however, the final decision will be NSR's.
- Foster Home will be given first right to adopt their Foster Dog. However, NSR will not stop an adoption already in progress. If you feel you may want to permanently adopt your Foster Dog, you need to let NSR know right away. Foster Homes are not given a discount on Adoption Fees.
- The Foster Home agrees that this dog will reside inside the home of the Foster Home, not outside. This dog may NOT be left outdoors if you are not at home.
- Foster Home agrees that this dog will never be allowed off a leash when it is outdoors, unless it is in a fenced in area or fenced yard. This dog may never be left outdoors if you are not there and supervising the dog.
- Foster Home agrees to always supervise a Foster Dog when outdoors, as some dogs will try and jump fences, squeeze through pickets, or use an object in the yard to climb over your fence.
